The minutes of the Annual Parish Meeting held on 7th May 2019, having been circulated were signed as a true and correct record. There were no matters arising.

### **Chairman's Report:**

Councillor Ridyard read her report, which will be appended to these minutes on the file.

Councillor Collins thanked the Chairman for all her work over the years and said how much he had enjoyed working with her. She will be greatly missed.

### **County Councillor's Report:**

Councillor Collins reported as follows:

- a. It had been a difficult and trying year, due to the various lockdowns but Burneside had coped extremely well and there had been many complimentary comments received.
- b. CCC has had a difficult time; the work on the drains has been resumed, now lockdown restrictions are easing. The Burneside Traffic Plan is moving again. A new machine has been purchased by CCC for dealing with potholes in rural areas. The joining kerbs on slip roads to the A591 are to be removed, it is hoped this will reduce the road surface coming away which currently happens on a regular basis.

**Open Forum:** None.
